

Florafree® AHP™ Mouss

Unique, 3-in-1 sanitising foam hand wash with Accelerated Hydrogen Peroxide™ and moisturiser.

Usage: For use in high risk food handling areas. Use prior to entering food handling and processing areas.

AHP is a registered trademark of Virox Technologies Inc.

Features & Benefits

Contains AHP - Accelerated Hydrogen Peroxide™ is a unique high efficacy biocide which does not induce bacterial resistance.

Rich, Creamy Foam - Very pleasant to use encouraging frequent use and compliance.

Quick Rinsing - Foam rinses off quickly to leave no residues and minimise skin irritation.

Excellent Cleansing - Ideal for cleaning light to medium soiled hands.

Environmentally Friendly - AHP active biocide simply degrades to water and oxygen.

High Efficacy Formula - Independently tested to the highest European Standards (EN 1499, prEN 12054, EN 1276, EN 1040 and EN 1275) product proven to kill 99.999% of food poisoning bacteria, moulds and yeasts.

Conditions Skin - Contains skin conditioners to moisture, re-hydrate and leave the skin feeling smooth after use.

Excellent Cost-In-Use - Unique foaming formula is highly efficient in use and minimises wastage.

Toxicological Approval - Formulation assessed by a Toxicologist and declared 'non-toxic'.

Trans-Epidermal Water Loss (TEWL) Test - Results show no negative impact on the barrier function of the skin during regular, daily use.

Perfume-free - Contains no perfume to taint food.

Dermatologically Tested - Formula has been tested to prove it is non-irritant
