Use Overview:

Hydrox® General Purpose Cleaner with Hydrogen Peroxide is an environmentally preferred general cleaner for cleaning all water washable hard surfaces including floors, walls, counter tops, restrooms, painted surfaces, plastics, metal surfaces, marble and more. It can also be used for carpet cleaning.

- Fill spray bottle, mop bucket or automatic scrubber.
- For general cleaning, use as spray and wipe or with a mop, cloth, sponge or hand pad.
- For use as a daily floor cleaner, allow to air dry or pick up excess water prior to opening to traffic. Floors will be slippery until dry. If applying finish or maintainer, a rinse will be required.
- For use as a carpet spotter, prespray or extraction cleaner. Apply product to carpet spot, agitate and rinse with water. Prespray area to be cleaned and extract with water.

Dispense product with cold water at appropriate dilution for soil load and application

- Light soil, daily floor cleaning, carpet extraction – 1:256
- Medium soil, floor cleaning, spray 'n' wipe – 1:128
- Heavy soil, mopping, spray'n' wipe, pressure cleaning – 1:64

Product Specifications:

Color	Clear liquid
Flash Point	> 200° F (> 93.3° C)
Phosphorous Content	0%
pH	5.0 (Concentrate)

pH	5.4 (1:64 Dilution)
Scent	None added, mild
Specific Gravity	1.028
VOC	0%

Safety Reminder:

Please make sure your employees read and understand the product label and Material Safety Data Sheet before using this product. The label contains directions for use, and both the label and MSDS contain hazard warnings, precautionary statements and first aid procedures. MSDSs are available online at www.johnsondiversey.com or by calling 1-800-558-2332.
