

STBC

Sporicidal Toilet Bowl Cleaner

A ready-to-use sporicidal gel disinfectant cleaner for toilets, commodes, sinks and basins.

Helps Control Clostridium Difficile

- Kills clostridium difficile spores in 10 minutes

Easy to Use

- Gel clings to internal surfaces of toilets, commodes, sinks and basins for maximum contact time

Proven Technology

- Based on patented Accelerated Hydrogen Peroxide

Designed For

HEALTHCARE

EDUCATION

COMMERCIAL

INSTITUTIONAL FACILITIES

Use Overview:

STBC (Sporicidal Toilet Bowl Cleaner) is designed for cleaning and disinfecting interior surfaces of toilet bowls, commodes, sinks and basins. This product is not intended for use as a general environmental hard surface cleaner or disinfectant. See product label for details.

How do I use it:

- For low level disinfection of interior surfaces of toilets, sinks, commodes and basins, apply gel, allow to remain wet for 1 minute, then, using a wet cloth, brush or sponge, scrub interior surfaces, then flush or rinse.
- For sporicidal disinfection, apply gel to interior surfaces of toilets, sinks, commodes and basins, and allow to remain wet for 10 minutes. Then scrub and rinse or flush to ensure all residue is removed.

Efficacy:

Sporicidal disinfection in 10 minutes

- Clostridium difficile (clinical isolate)
- Clostridium sporogenes (ATCC 7955)
- Bacillus subtilis (ATCC 19659)

Low Level Disinfection in One Minute:

Virucidal

- Effective against Polio Virus, Sabin strain type 1 (ATCC VR-192)
- Allows for General Virucide claim against most enveloped and non-enveloped viruses

Bactericidal

- Pseudomonas aeruginosa (ATCC 15442)
- Staphylococcus aureus (ATCC 6538)
- Salmonella choleraesuis (ATCC 10708)

Fungicidal

- Trichophyton mentagrophytes (ATCC 9533)

Product Specifications:

pH	2.7
Color	Clear colorless
Fragrance	None
Specific Gravity	1.03

Flash Point	> 200°F
Key Ingredient	Hydrogen peroxide
Shelf Life	12 months
DIN Registration No.	02313022

One convenient size:

PRODUCT CODE	DESCRIPTION	PACKAGE SIZE
4974259	1L Bottles	12 x 1L

Hazard Rating:

HMIS		NFPA
3	Health	3
0	Flammability	0
0	Reactivity	0

4=Very High; 3=High; 2=Moderate; 1=Slight; 0=Insignificant.

Safety Reminder:

Please make sure your employees read and understand the product label and Material Safety Data Sheet before using this product. The label contains directions for use, and both the label and MSDS contain hazard warnings, precautionary statements and first aid procedures. MSDS's are available online at www.johnsondiverse.com or by calling 1-888-352-2249.
